#### Display Pack

Entry to the Display Pack for the 2020 Christchurch Art Show is now by invitation only.

Please be aware that because The Christchurch Art Show works on a rotational hanging basis – work is rehung as it is sold. Your work will not be hung together on the wall, it will rotate on the wall and will be hung at different times over the show's duration. This means that your work will not always be visible during the show. As we want your work to sell our staff works hard to ensure that all work is hung out over the period of the show. We constantly rehang our display area to ensure that all work is seen by the buying public.

- The commission for display pack is 40% with no other charges
- All work to be over \$750 sales price
