If you cannot access Fastway in your area, please contact John@theartshow.co.nz 0226582960. • Full instructions for the 2020 Christchurch Art Show will be made available to selected artists in your Welcome Pack. (This will include all dates, payments, courier details, labelling and general show details). Your Welcome Pack will be made available to you if your application is successful.

The cash and carry concept

- The Christchurch Art Show is a cash and carry art show. Sold artwork (except for heavy sculpture and award works) leaves the building with the purchaser. Work is hung and displayed on your artist pack panels. Your excess work is stored onsite and as artwork is sold and moves on with the purchaser your stored work replaces the sold work in your exhibition. This means that the show is constantly rotating. The movement of artwork is dictated by the movement of sales. We advise artists to make sure that they provide enough extra work to replace their sold work. Artists who are present to promote their own work can curate their own works. Please display your own catalogue, business cards and promotional materials. The Christchurch Art Show has full control and the final say in the hanging and exhibition of all works in the show. The Christchurch Art Show retains the right to remove any unwanted material. The movement of artworks in a cash and carry show is initiated by the purchaser and because of this we cannot guarantee that all the artworks supplied will be on exhibit.

Application Selection

- Artists must make an application to The Christchurch Art Show to have their work reviewed in the selection process for the show. Art that is selected for The Christchurch Art Show will be of a

high standard and presentation. It will be in a fit state and be ready for exhibition – see above in these terms and conditions. We expect the work to reflect the personal style of the artist, to be their own intellectual property and to be priced accordingly – not over or under priced. Selection is at the discretion of The Christchurch Art Show and no correspondence or discussion will be made on our final decision. We inform artists of their selection outcome after the application fee has been paid and selection is processed.

Art Awards.

We have two art awards on offer for our 2020 show. The Lawson's Dry Hills People's Choice Award and The Celebrity Pick Award.

To be eligible you must have your work selected for an Artist Pack 2, 3, 4, 5 at The Christchurch Art Show. Please go to our Art Awards page on www.chchartshow to read more about the 2020 art award.
